

## HAM HILL COUNTRY PARK

### Species Location Map

Recording species within the above identified areas will help considerably for future planning and care of wildlife within the Park. Please use area codes on all records.

Area codes as follows:

S = Northern Spur; F = Plateau Fields; V = Witcombe Valley; W = Pit Wood

Note: The shaded area remains in private ownership, this includes the bungalow and quarry.

**Yeovil Area Group of the Somerset Wildlife Trust**

**RECORDS**

**Survey of species  
in the  
HAM HILL COUNTRY PARK**

for the

**South Somerset District Council**

by members and friends  
of the

**Yeovil Area Group of the Somerset Wildlife Trust**

(Formerly known as the Yeovil & District Natural History Society)

and

**SSDC Countryside Officers**

This survey was started in 2004 with the object of recording species found within the Ham Hill Country Park.

Lists have been prepared of: Birds

Invertebrates

Lichens - based on a survey by V.J.Giavarini

Fungi

Mammals

Ferns

Flowering plants

Reptiles & Amphibians

To be added:

Mosses & Liverworts

Members are asked to record any species seen within the Park and send that list to the Society so that a continuing up-date of the records can be made.

Records will be passed to the SSDC and the Somerset Environmental Records Office to ensure the best possible use is made of them.

Updated – end December 2010

## HAM HILL COUNTRY PARK

Bee Orchid, Plateau Fields,  
June 2007

Common Spotted Orchid,  
Plateau Fields, June 2007

Southern Marsh Orchids,  
Plateau Fields, June 2007

C Broomrape (yellow form),  
Plateau Fields, June 2005

Field Pansy, Witcombe  
Valley, April 2005

Green Hellebore, Witcombe  
Valley, March 2005

Wild Daffodils, Pit Wood,  
March 2006

Silver-washed Fritillary  
(male), Pit Wood, July 2008

Brown Argus, Northern  
Spur, July 2005

Green Hairstreak, Northern  
Spur, June 2005

Wall, Witcombe Valley,  
May 2005

Dingy Skipper, Northern  
Spur, June 2005

*Melangyna umbellatarum*  
Northern Spur, Aug 2006  
(The two above are hoverflies)

*Chrysotoxum festivum*  
Northern Spur, July 2007

Brown Hairstreak egg  
Northern Spur, March 2010

Emerald Damselfly  
Pit Wood, June 2009

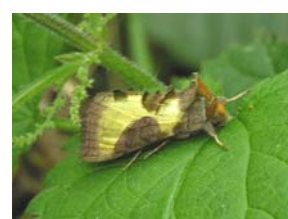

Forester moth,  
Northern Spur, June 2005

Scarlet Tiger moth,  
Northern Spur, July 2005

Humming-bird Hawk-moth,  
Northern Spur, Sept 2006

Burnished Brass moth,  
Pit Wood, Sept 2008

| <i>Brachycaudus cardui</i>            | An aphid            | S |   |   |   | 85-89     |
| <i>Brevicoryne brassicae</i>          | An aphid            | S |   |   |   | 85-89     |
| <i>Cavariella pastinacae</i>          | An aphid            | S |   |   |   | 85-89     |
| <i>Centrotus cornutus</i>             | A treehopper        | S |   |   |   | 89        |
| <i>Cercopis vulnerata</i>             | A froghopper        | S |   |   | W | 09        |
| <i>Cixius nervosus</i>                | A planthopper       | S |   |   |   | 85-89     |
| <i>Dactynotus cirsii</i>              | An aphid            | S |   |   |   | 85-89     |
| <i>Dikraneura variata</i>             | A leafhopper        | S |   |   |   | 85-89     |
| <i>Erythroneura angusta</i>           | A leafhopper        | S |   |   |   | 85-89     |
| <i>Erythroneura parvula</i>           | A leafhopper        | S |   |   |   | 85-89     |
| <i>Eupteryx signatipennis</i>         | A leafhopper        | S |   |   |   | 85-89     |
| <i>Eupteryx urticae</i>               | A leafhopper        | S |   |   |   | 85-89     |
| <i>Euscelis plebejus</i>              | A leafhopper        | S |   |   |   | 85-89     |
| <i>Javesella dubia</i>                | A planthopper       | S |   |   |   | 85-89     |
| <i>Laodelphax elegantulus</i>         | A planthopper       | S |   |   |   | 85-89     |
| <i>Macrosiphum rosae</i>              | An aphid            | S |   |   |   | 85-89     |
| <i>Macrosteles sexnotatus</i>         | A leafhopper        | S |   |   |   | 85-89     |
| <i>Megophthalmus scabripennis</i>     | A leafhopper        | S |   |   |   | 85-89     |
| <i>Periphyllus testudinaceus</i>      | An aphid            | S |   |   |   | 85-89     |
| <i>Philaenus spumarius</i>            | Common Froghopper   | S |   |   |   | 85-89     |
| <i>Psylla peregrina</i>               | A psyllid           | S |   |   |   | 85-89     |

| <i>Arion ater</i>                                | Large Black Slug        | S |   |   |   | 85-89     |
| <i>Arion hortensis</i>                           | Garden Slug             | S |   |   |   | 85-89     |
| <i>Arion subfuscus</i>                           | Dusky Slug              | S |   |   |   | 85-89     |
| <i>Candidula intersepta</i>                      | Wrinkled Snail          | S |   |   |   | 85-89     |
| <i>Carychium tridentatum</i>                     | Slender Herald Snail    | S |   |   |   | 85-89     |
| <i>Cepaea hortensis</i>                          | White-lipped Snail      | S |   |   |   | 85-89     |
| <i>Cepaea nemoralis</i>                          | Brown-lipped Snail      | S |   |   |   | 85-89     |
| <i>Cernuella virgata</i>                         | Stripped Snail          | S |   |   |   | 85-89     |
| <i>Clausilia bidentata</i>                       | Common Door Snail       | S |   |   |   | 85-89     |
| <i>Cochlicopa lubrica</i> var. <i>lubricella</i> |                         | S |   |   |   | 85-89     |
| <i>Deroceras reticulatum</i>                     | Field Slug              | S |   |   |   | 85-89     |
| <i>Discus rotundatus</i>                         | Rounded Snail           | S |   |   |   | 85-89     |
| <i>Helix aspersa</i>                             | Garden Snail            | S |   |   |   | 85-89     |
| <i>Lauria cylindracea</i>                        | Common Chrysalis Snail  | S |   |   |   | 85-89     |
| <i>Oxychilus alliarius</i>                       | Garlic Snail            | S |   |   |   | 85-89     |
| <i>Oxychilus helveticus</i>                      | Glossy Grass Snail      | S |   |   |   | 85-89     |
| <i>Punctum pygmaeum</i>                          | Dwarf Snail             | S |   |   |   | 85-89     |
| <i>Pupilla muscorum</i>                          | Moss Chrysalis Snail    | S |   |   |   | 85-89     |
| <i>Trichia hispida</i>                           | Hairy Snail             | S |   |   |   | 85-89     |
| <i>Trichia striolata</i>                         | Strawberry Snail        | S |   |   |   | 85-89     |
| <i>Vallonia costata</i>                          | Ribbed Grass Snail      | S |   |   |   | 85-89     |

### Invertebrates

| Species                      | Common Name                  |   |   |   |   | Last Date |
|------------------------------|------------------------------|---|---|---|---|-----------|
|                              |                              | S | F | V | W |           |
| <i>Erigone dentipalpis</i>   | A web spider                 | S |   |   |   | 85-89     |
| <i>Euophrys frontalis</i>    |                              | S |   |   |   | 85-89     |
| <i>Heliophanus flavipes</i>  | A jumping spider             | S |   |   |   | 85-89     |
| <i>Lepthyphantes tenuis</i>  | A money spider               | S |   |   |   | 85-89     |
| <i>Linyphia clathrata</i>    | A sheet-web spider           | S |   |   |   | 85-89     |
| <i>Meta mengei</i>           |                              | S |   |   |   | 85-89     |
| <i>Micaria pulicaria</i>     | An ant-mimic spider          | S |   |   |   | 85-89     |
| <i>Misumena vatia</i>        | A crab spider                | S |   |   |   | 85-89     |
| <i>Pachygnatha degeeri</i>   | A large-jawed spider         | S |   |   |   | 85-89     |
| <i>Pardosa nigriceps</i>     | A wolf spider                | S |   |   |   | 85-89     |
| <i>Pardosa pullata</i>       | A wolf spider                | S |   |   |   | 85-89     |
| <i>Pisaura mirabilis</i>     | A nursery web spider         | S |   |   |   | 85-89     |
| <i>Segestria senoculata</i>  | A tube web spider            | S |   |   |   | 85-89     |
| <i>Tetragnatha extensa</i>   | A large-jawed orb web spider | S |   |   |   | 85-89     |
| <i>Textrix denticulata</i>   |                              | S |   |   |   | 85-89     |
| <i>Walckenaera antica</i>    | A money spider               | S |   |   |   | 85-89     |
| <i>Xysticus cristatus</i>    | A crab spider                | S |   |   |   | 85-89     |
| 27                           |                              |   |   |   |   |           |
| <u>Harvestmen</u>            |                              |   |   |   |   |           |
| <i>Leiobunum rotundum</i>    |                              | S |   |   |   | 85-89     |
| <i>Mitopus morio</i>         |                              | S |   |   |   | 85-89     |
| <i>Mitostoma chrysomelas</i> |                              | S |   |   |   | 85-89     |
| <i>Nelima gothica</i>        |                              | S |   |   |   | 85-89     |
| <i>Nemastoma bimaculatum</i> |                              | S |   |   |   | 85-89     |
| <i>Phalangium opilio</i>     |                              | S |   |   |   | 85-89     |
| <i>Rilaena triangularis</i>  |                              | S |   |   |   | 85-89     |
| 7                            |                              |   |   |   |   |           |
|                              |                              |   |   |   |   |           |

997

Recent Notable Sightings: Eggs of the Brown Hairstreak butterfly found on Blackthorn, winters 2007-08 and 2009-10 (Northern Spur).

## HAM HILL COUNTRY PARK

### Flowering Plants

Note: The following table consists of a list of plants mainly recorded in 2004 for which, at present, the source is unknown. As most, if not all those listed, would be new records for the country park it would seem prudent to list them separately for the time being until confirmation is obtained.

| Species                         | Common Name       |   |   |   |   | Last Date |
|---------------------------------|-------------------|---|---|---|---|-----------|
|                                 |                   | S | F | V | W |           |
| <i>Ballota nigra</i>            | Black Horehound   | S |   |   |   | 04        |
| <i>Carex panicea</i>            | Carnation Sedge   | S |   |   |   | 04        |
| <i>Helianthemum nummularium</i> | Common Rock-rose  | S |   |   |   | 04        |
| <i>Lactuca serriola</i>         | Prickly Lettuce   | S |   |   |   | 04        |
| <i>Lithospermum arvensis</i>    | Field Gromwell    | S |   |   |   | 04        |
| <i>Ornithopus perpusillus</i>   | Birdsfoot         | S |   |   |   | 04        |
| <i>Stellaria neglecta</i>       | Greater Chickweed | S |   |   |   | 04        |
| <i>Ulex gallii</i>              | Western Gorse     |   |   |   |   |           |
| <i>Urtica urens</i>             | Small Nettle      |   |   |   |   |           |

Key: S = Northern Spur; F = Plateau Fields; V = Witcombe Valley (includes Horse's Wood); W = Pit Wood.

| <i>Boletus chrysenteron</i>        | Red Cracking Bolete | 2007               |   |   |   |  |
| <i>Botryobasidium aureum</i>       |                     | 2001               |   |   |   | Extremely common.  |
| <i>Botryotinia globosa</i>         |                     | 2008               |   |   |   | Very common.   |
| <i>Bulgaria inquinans</i>          | India Rubber Fungus | 2001               |   |   |   | Very common.   |
| <i>Byssomerulius corium</i>        |                     | 2008               |   |   |   | Very common.   |
| <i>Calyptella capula</i>           |                     | 2001               |   |   |   | Not infrequent.  |
| # <i>Cercospora mercurialis</i>    |                     | 2010               |   |   |   | Frequent.  |
| <i>Ceriporia viridans</i>          |                     | 2001               |   |   |   | Infrequently reported.                                     |
| <i>Chlorociboria aeruginascens</i> |                     | 2008               |   |   |   | Frequent.  |
| <i>Clitocybe dealbata</i>          |                     | 2006               |   |   |   |  |
| <i>Clitocybe fragrans</i>          |                     | 2008               |   |   |   | Very common.   |
| <i>Clitocybe gibba</i>             |                     | 2006               |   |   |   |  |
| <i>Clitocybe nebularis</i>         | Clouded Agaric      | 2007               |   |   |   |  |
| <i>Coleosporium tusstillaginis</i> |                     | 2010               |   |   |   | Very common.   |
| # <i>Colletotrichum trichellum</i> |                     | 2010               |   |   |   | Common.  |
| <i>Collybia dryophila</i>          |                     | 2007               |   |   |   |  |
| <i>Coniophora puteana</i>          |                     | 2008               |   |   |   | Very common.   |
| # <i>Conocybe blattaria</i>        |                     | 2010               |   |   |   | Frequent.  |
| # <i>Conocybe dentatmarginata</i>  |                     | 2010               |   |   |   | Frequent.  |
| <i>Coprinus acuminatus</i>         |                     | 2001               |   |   |   | Frequent in the south.                                     |
| <i>Coprinus auricomus</i>          |                     | 2010               |   |   |   | Frequent.  |
| # <i>Coprinus disseminatus</i>     |                     | 2010               |   |   |   | Very common.   |
| <i>Coprinus lagopus</i>            |                     | 2010               |   |   |   | Very common.   |
| # <i>Coprinus lelocephalus</i>     |                     | 2010               |   |   |   | Frequent.  |
| <i>Coprinus micaceus</i>           | Glistening Ink Cap  | 2008               |   |   |   | Very common.   |
| <i>Coprinus plicatilis</i>         |                     | 2006               |   |   |   |  |
| <i>Crepidotus cesatii</i>          |                     | 2008               |   |   |   | Very common.   |
| <i>Crepidotus lundelii</i>         |                     | 2001               |   |   |   | Occasionally reported.                                     |
| <i>Crepidotus luteolus</i>         |                     | 2008               |   |   |   | Common.  |
| <i>Crepidotus mollis</i>           |                     | 2010               |   |   |   | Common.  |
| <i>Cylindrobasidium laeva</i>      |                     | 2008               |   |   |   | Very common.   |
| <i>Dacrymyces stillatus</i>        |                     | 2001               |   |   |   | Very common.   |
| <i>Daldinia concentrica</i>        | King Alfred's Cakes | 2008               |   |   |   | Very common.   |

Key: S = Northern Spur; F = Plateau Fields; V = Witcombe Valley (includes Horse's Wood); W = Pit Wood.  
vc.5 = vice county number for South Somerset.
